Political science syllabus for upsc optional pdf

Political science syllabus for upsc optional in hindi.

Hello, you are eligible to appear for UPSC Civil Service exam if you have passed Nursing Degree from a university recognized, applicants must reach 21 years as the 1 August of the year that appears to provide a brief information regarding this, UPSC Civil Service examination consists of three preliminary tables: the first phase is based examination MCQs, has two cards and each is composed of 200 brands, its numbers are not added to the final list, you just need to score the required cut-off against your category. First is GS Paper-I, which is the next topic such as India and the Indian national movement history, Indian and world geography, economic and social sustainable development-development, poverty, demographics inclusion, initiatives the social sector, etc., Indian politics and governance constitution, political system, national and international AttualitÁ, general Science, the general issues of environmental ecology, biodiversity and climate change, you just need to score the required cut-off against your category. Second paper is CSAT that qualifies for its nature, it is necessary to mark only 33%, which is 66 points out of 200, which includes the following topics such as basic math, comprehension, logical reasoning and the ability to analysis, general mental ability, decision making and problem solving, interpersonal skills, including communication skills. Food: This is a second phase, which is more of a subjective type, you are required to write answers for four General Studies paper, such as GS-I includes Indian heritage and culture, history and geography of the world and society, GS-II includes Governance, Constitution, Polity, social Justice and International Relations, GS-III includes technology, economic development, bio-diversity, Environment, Safety and Disaster Management, GS-IV includes ethics, integrity, and the attitude Two Options to choose from the following - Agriculture / Animal Husbandry and veterinary medicine Anthropology / Botany / Chemistry / Engineering Commerce and Accounting / Economics / electrical Engineering / Geography / Geology / History Law / Management / Mathematics / mechanical / medical science / philosophy / Physics / Science & International Relations political / Psychology / public Administration / Sociology / Statistics / Zoology beyond that, you can even take into consi sideration topics of literature optionals such as Assamese, Bengali, Bodo, Dogri, Gujarat, Hindi, Kannada, Kashmiri, Konkani, Maithili, Malayalam, Manipuri, Marathi, Nepali, Oriya, Punjabi, Sanskrit, Santhali, Sindhi, Tamil, telugu, Urdu, English Language paper two which is the qualification only by nature, everyone is of 300 marks, and candidates need only get the 25% that is 75 marks an essay in total there are nine cards on the paper, except for the two language papers, each paper is of 250 marks, the total adds up to 1750 brands. Interview: Prelims and network are further followed by 275 brands personality test. Total score of UPSC is CSE 2025 brands. Preparation Tips: In order to start your preparation, the first and most important step is to know well UPSC Syllabus, memorizing as this will allow you to know what to read and what to skip. As with recent trends UPSC prelims Framing questions it is also the basis of the program network, in order to have an integrated approach. To cover a syllabus as humongous you will have to make a schedule, the objectives set on a daily, weekly and monthly, which is the only way to complete this extensive program. reading the newspaper is equally vital part of the preparation, you can start with any newspaper like The Hindu, Indian Express, or on a regular basis to be updated as well as gain knowledge that will be very To you partly future preparation for exams. Put a more emphasis on the editorial part, not only will you expose your perspective, but help a lot in writing the answer, and make sure that any opinion is framed it should be well balanced. You can also take notes of this, it will be very useful in writing the answer. When it comes to Books, start with Ncerts that build your strong bases, and then move on to other important books the following- for prelims, you can refer the following books: History: NCCert Class XI and XII / Fight for India's Independence from Bipin Chandra, for Indian culture, refer to the art and culture of Nitin Sthania geography: Ncert class vi in xii / gc leong physical geography / atlas world economy: Ncert class xi / indian economy by Ramesh Singh International Relations & polity: NCCert XII Political Science with Cutlily, I have Politc Ndlan from Laxmikanth CSAT; Verbal and non-verbal reasoning by RS Agarwal math quicker Mathematics coming to the exam network, you can refer to the following books for four general paper studies; GS I - For history, book XI class ncert with the struggle for independence of India from Bipin Chandra, India after independence from Bipan Chandra, history of medieval art of India by Satish Chandra. For geography world reference Geography and geography of India from Majid Hussain, physics of GC Leong and human geography with NCCert class XI book. For GS II - Polity and international relations, refer to Indian politic Lamikanth, India foreign policy from Rajiv Sikri for GS III - For economy report Indian economy from Ramesh Singh, read the Arc report together with budgetary economic and tax investigation . For GS IV - For the ethical reference of a book called Lexicon by Niraj Kumar, you can also go through the Ignou study material. K KEEP The minimum resources, read a book many times instead of many a book now that one, the review is the only key to memory. Writing the electricity grid is a huge task, for nine cards requires a immense practice with knowledge. Thus, in practice in advance, and P ractcet previous paper demand for the year, fake cards, and the test series to analyze the level of preparation.
